O R D E R:

In the references 2<sup>nd</sup> and 3<sup>rd</sup> read above, the Commissioner (R&R), Irrigation & CAD Department, Secunderabad has reported that the District Collector, Adilabad and Superintending Engineer, Komarambhim Project, Adilabad District in their letters dated 03-07-2010 and 20-11-2010 have requested for publication of Gazette notification of Devudupally and Dabugudem hamlets of Nishani village, Kerameri Mandal in Adilabad District which is coming under submergence under Komarambhim Project. He has further reported that the Nishani village has already been notified vide G.O.Rt.No.1279, Irrigation & CAD (Med.Irrig.II) Department, Dt.18-09-2006. As such, (i) Devudupally & (ii) Dabugudem hamlets upto FRL + 100 M need not be notified which also forms part of already notified village as per norms of G.O.Ms.No.68, Irrigation & CAD (PW:LA.IV-R&R) Department, dated 08-04-2005 covering all households upto FRL + 100 M. The Superintending Engineer, Komarambhim Project and the District Collector, Adilabad have informed that the left over houses numbering (41) which are beyond FRL+100M in Devudupally H/o Nishani (V), Kerameri Mandal in Adilabad District were not covered by the above said G.O., and recommended for acquisition, as the habitat would be surrounded by water from three sides after completion of the project and may cause health problems, ground water table will rise due to project construction leading to gradual collapse of temporary structures in the village. Further their accessibility will be restricted. The District Collector, Adilabad has recommended to consider the entire village for rehabilitation instead of only the families falling under FRL+100M distance as all the families are below poverty line. It was also reported that the water spread area is on three sides of the village. The existing road is passing between village and water spread area. The Commissioner (R&R), Irrigation & CAD Department, Secunderabad has therefore recommended the proposal of District Collector, Adilabad and Superintending Engineer, Komarambheem Project to acquire balance (41) house holds in Devudupally H/o Nishani village, Kerameri Mandal in Adilabad District in relaxation to G.O.Ms.No.68, Irrigation & CAD (PW:LA.IV-R&R) Department, dated 08-04-2005.
